

To all Friends everywhere,

after a long period of online gatherings, we are finally able to meet in Quaker house Bad Pyrmont, Germany, in June 2022.

We enjoyed spending time together in person, participating in activities together, having fun and deep talks.

We are reminded that EMEYF gatherings are not only about the inspiring sessions we participate in, but also about living in community: laughing together, sharing meals, and walking through nice cool mud.

We also reflected on how to move forward as a community and how to include those of us who can't be with us in person, while knowing that it can be hard to participate online. We hope that all of us have felt connected to each other.

This week together has given us the strength to keep moving forward as a community, and in our daily lives, until we meet again.
