

Spring Gathering 2015 in Ureki, Georgia

EMEYF and its F/friends

EMEYF is the community of Friends from Europe and the Middle East, aged 18-35ish. With other Young Adult Friends, we explore our faith and practice, finding our voice to say what we can say, do what we can do, and take over responsibility for the wider Quaker community. This "space of our own" depends on the Meetings and individuals around us, who support us financially and spiritually. Thank you, Meetings, former EMEYFers, future EMEYFers, and F/friends of all ages!

*"a wish to connect deeper
[...] with our history as a
community, with those who
have experienced being a
Young Friend before us..."*

EMEYF Support Network

Sign up for the Friends of EMEYF mailing list!

Our idea to set up a F/friends of EMEYF circle stems from a desire to create tighter bonds with former EMEYFers and to exchange experiences and inspiration. For many EMEYFers, their experiences form the way they engage with Quakerism and the world, even after they finish being EMEYFers in the formal sense. We hope that the Friends of EMEYF mailing list will help strengthen our feeling of community and encourage us to hold each other in the light.

Please do not hesitate to join this mailing list, even if you feel unwilling or unable to donate to EMEYF. It is **open to everyone**.

What will it be used for?

This mailing list will ensure that you are up to date and receive our annual report, epistles, and minutes.

We will use this list to ask for support (financial, spiritual, practical) but we will also send you extra information, such as interesting bits of archive and updates on what is alive in EMEYF at a given moment.

“Rather than focusing on receiving donations only, we want to equally emphasize strengthening the connections between EMEYFers of all ages.”

Minute CC 2015/8

We would be very happy if you sent us a message every so often, to engage in a conversation, rather than making this one-way communication.

Support EMEYF financially

EMEYF relies on the support of Meetings and Quaker organizations to provide bursaries for Young Friends who could not attend EMEYF otherwise. To maintain our regular work and meet our core costs, we hope for your help. Regular donations, however big or small, help us to plan future expenses.

Even a few Euros or Pounds a month would be most gratefully received!

How to donate

Donations to EMEYF can be made in both Sterling and Euros. We can claim gift-aid when UK tax payers include a declaration.
